Bundles

If you are interested in hiring multiple spaces the hire fees are eligible for negotiation with the college to construct a 'bundled package'.

Theatre & Bio Box

Access to the college's theatre space will normally only be provided to organisations/groups who are running dedicated programs which require these facilities. The theatre is equipped with a range of specialised lighting and sound equipment known as the Bio Box; this space can be hired separately to the theatre. Access to this equipment is limited based on the requirements of your hire and will need to be operated by someone who has appropriate training. Should any equipment be misused or require reconfiguring, any costs associated with repairs will be charged to the hirer.

Fabrication Lab

Access to the college's fabrication lab facilities will normally only be provided to organisations/groups who are running dedicated programs which require these types of facilities. Additional charges may be applied to cover the costs associated with consumables, other specialised equipment and induction requirements. Additional charges will be agreed with the college in advance of a booking being confirmed. Please contact the college to discuss hiring options.

Science Lab

Access to the college's science labs will normally only be provided to organisations/groups who are running dedicated programs which require lab-based facilities. Additional charges may be applied to cover the costs associated with consumables, other specialised equipment and induction requirements. Additional charges will be agreed with the college in advance of a booking being confirmed. Please contact the college to discuss hiring options.

Food Technology/Kitchens & VET Kitchen

Access to the college's food technology/kitchen & VET Kitchen facilities will normally only be provided to organisations/groups who are running dedicated programs which require these types of facilities. Additional charges may be applied to cover the costs associated with consumables, other specialised equipment and induction requirements. Additional charges will be agreed with the college in advance of a booking being confirmed. Please contact the college to discuss hiring options.

Trade Centre

Access to the college's trade centre facilities will normally only be provided to organisations/groups who are running dedicated programs which require these types of facilities. Additional charges may be applied to cover the costs associated with consumables, use of other specialised equipment and induction requirements. Additional charges will be agreed with the college in advance of a booking being confirmed. Please contact the college to discuss hiring options.

Dance/Drama Studio/Music Practice

The college has a number of different size spaces suitable for use as dance/drama and music practice. Some of these spaces include specialised equipment the use of which may incur additional charges. Additional charges will be agreed with the college in advance of a booking being confirmed. Please contact the college to discuss hiring options.

Notes

- The hire of facilities is conditional upon the user signing a user agreement
- The college's hire rates are subject to change and will be reviewed at least annually
- The college retains the right to alter or waive fees at its discretion
- The separate hire rates listed are provided for 'not for profit' and 'for profit' organisations. The 'for profit' rates may be applied to any organisation which the college reasonably believes has the resources to absorb the costs. This may include Government organisations
- Bundled Package rates for the hire of multiple spaces and/or for the regular use of spaces (e.g., across a year of 'sports season') may be negotiated with the college on a case-by-case basis
- The hire of facilities not listed in the attached schedule of rates may be negotiated with the college on a case-by-case basis
- Any damage or repairs to equipment in hired spaces will be the responsibility of the community user to pay before future bookings will be granted; including reimbursement of bond.
- Notice of cancellation for any booking must occur at least 5 days prior to the hire date. Any cancellations made within 5 days of the hire date will result in the hirer being charged the full hire rate as per the Community Usage Agreement.
